MODESTONE EDC POUCH S

The “EDC Pouch S” by Modestone accommodating 76x130 mm sized Notepad is a versatile, functional addition to Modestone product range.

Modestone EDC Pouch S makes it easier to organize your important “field office equipment” and other small items thanks to the well-thought-out organization options. For example, you can store notepad, pens, markers, erasers, flashlights, memory cards and essential ID documents in to one easily accessible pouch – featuring several slots and compartments the Modestone EDC Pouch offers fast & secure access to your field gear.

The Modestone EDC Pouch S is equipped with generous hook & loop surface on the outside to attach ID or moral patches.

MODESTONE EDC POUCH M

The “EDC Pouch M” by Modestone accommodating 96x148 mm sized Notepad is a versatile, functional addition to Modestone product range.

Modestone EDC Pouch S makes it easier to organize your important “field office equipment” and other small items thanks to the well-thought-out organization options. For example, you can store notepad, pens, markers, erasers, flashlights, memory cards and essential ID documents in to one easily accessible pouch – featuring several slots and compartments the Modestone EDC Pouch offers fast & secure access to your field gear.

The Modestone EDC Pouch S is equipped with generous hook & loop surface on the outside to attach ID or moral patches.

Modestone relies on the robust and proven CORDURA 1000D fabric in the EDC Pouches. The pouches are naturally equipped with the legendary YKK zippers.

Based on the choice of material, you can immediately see that Modestone consistently focuses on the uncompromised professional user requirements. Thanks to the M.O.L.L.E. system, the Modestone EDC Pouch can be attached to backpacks and plate carriers with M.O.L.L.E.- compatible loops or laser cut.
